JANUARY 2007

### Presidents Message

Well January is here and with it, the arrival of spring. The first fresh schoolies should be arriving any day now. Seriously can you believe this weather? One sign of spring though is right around the corner, and that is our annual fund raiser February 24th, and I urge the membership to please get out there to solicit donations for our raffle table. There are a lot of activities we have planned this year in conjunction with the 50th anniversary as well as normal club functions. The more money we can generate, the better the activities we can give back to the club. I'd like to thank Bob Smith for the use of his P.O. BOX for the last 1/2 century. We finally got around to getting our own last month. Our new box # is P.O. box 1585.

Kevin M. Moore
